

Talisker Increases Bought Deal Private Placement to \$23 Million

/NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES/

TORONTO, July 22, 2020 /CNW/ - Talisker Resources Ltd. ("**Talisker**" or the "**Company**") (CSE: TSK) (OTCQB: TSKFF) is pleased to announce that further to its earlier press release, the Company has agreed with Sprott Capital Partners LP and PI Financial Corp. ("**PI Financial**") as co-lead underwriters and co-bookrunners (collectively the "**Underwriters**"), to increase the size of the bought deal private placement due to the high level of interest. The Company will now issue 28,260,870 units (the "**Units**"), priced at \$0.46 per Unit (\$13,000,000) and 15,625,000 charity flow-through share units (the "**Charity FT Units**"), priced at \$0.64 per Charity FT Unit (\$10,000,000) for total gross proceeds of \$23,000,000 (the "**Upsized Offering**"). The Charity FT Units will qualify as "flow-through shares" within the meaning of the *Income Tax Act* (Canada). Each Unit and Charity FT Unit (the "**Offered Securities**") will be comprised of one common share of the Corporation and one-half of one common share purchase warrant (each whole warrant, a "**Warrant**"). Each Warrant will entitle the holder to purchase one common share at an exercise price of \$0.70 for a period of 12 months from the date of issuance thereof.

The Upsized Offering is expected to close on or about August 13, 2020, or such other date as agreed between the Company and the Underwriters, and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the approval of the CSE.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Talisker Resources Ltd.

Talisker (taliskerresources.com) is a junior resource company involved in the exploration of gold projects in British Columbia, Canada. Talisker's projects include the Bralorne Gold Complex, an advanced stage project with significant exploration potential from a historical high-grade producing gold mine as well as its Spences Bridge Project where the Company holds ~85% of the emerging Spences Bridge Gold Belt and several other early stage Greenfields projects. With its properties comprising 291,339 hectares over 322 claims, six leases and 181 crown grant claims, Talisker is a dominant exploration player in the south-central British Columbia. The Company is well funded to advance its aggressive systematic exploration program at its projects.

Caution Regarding Forward Looking Statements

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements

relating to matters that are not historical facts are intended to identify forward-looking information and are based on Talisker's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this release contains forward-looking information relating to, among other things, the use of proceeds from the Upsized Offering and the closing date of the Upsized Offering. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to Talisker. Although such statements are based on reasonable assumptions of Talisker's management, there can be no assurance that any conclusions or forecasts will prove to be accurate.

Forward looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include risks inherent in the exploration and development of mineral deposits, including risks relating to changes in project parameters as plans continue to be redefined, risks relating to variations in grade or recovery rates, risks relating to changes in mineral prices and the worldwide demand for and supply of minerals, risks related to increased competition and current global financial conditions, access and supply risks, reliance on key personnel, operational risks regulatory risks, including risks relating to the acquisition of the necessary licenses and permits, financing, capitalization and liquidity risks, title and environmental risks and risks relating to the failure to receive all requisite shareholder and regulatory approvals.

The forward-looking information contained in this release is made as of the date hereof, and Talisker is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.

Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release. No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.
