The Underwriters' Option may be exercised in whole or in part at any time prior to the closing date of the Offering.

The gross proceeds from the sale of the Charity FT Units will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through mining expenditures" as such terms are defined in the *Income Tax Act* (Canada) (the "**Qualifying Expenditures**") related to the Company's projects in Canada. All Qualifying Expenditures will be renounced in favour of the subscribers of the Charity FT Shares effective December 31, 2020. The net proceeds from the sale of the Units will be used by the Company for working capital and general corporate purposes.

The Offering is expected to close on or about August 13, 2020, or such other date as agreed between the Company and the Underwriters, and is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the approval of the CSE.

The Company has agreed to pay a cash commission of 6.0% of the gross proceeds of the Offering to the Underwriters.
