

# Talisker Announces Further Investment by New Gold and Private Placement of \$2 Million

**/NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES/**

TORONTO, Oct. 27, 2021 /CNW/ - Talisker Resources Ltd. ("**Talisker**" or the "**Company**") (TSX:TSK) (OTCQX:TSKFF) is pleased to announce that New Gold Inc. ("**New Gold**") (TSX: NGD) has agreed to acquire an additional 5,200,000 common shares ( "**Common Shares**") of the Company pursuant to the exercise of its top-up right in accordance with the terms of the investor rights agreement entered into between the Company and New Gold at the time of its initial investment (see the Company's press release of March 25, 2021), to maintain its 14.9% ownership percentage in the Company.

The Company is also pleased to announce a non-brokered private placement to raise total gross proceeds of approximately \$2 million (the "**Offering**"). The Offering will consist of 5,200,000 Common Shares which qualify as "flow-through shares" within the meaning of the *Income Tax Act* (Canada) (the "**FT Shares**"), at a price of \$0.38 per FT Share. Immediately following the completion of the Offering, it is expected that New Gold will acquire the 5,200,000 Common Shares.

The gross proceeds from the sale of FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through mining expenditures" as such terms are defined in the *Income Tax Act* (Canada) (the "**Qualifying Expenditures**") related to the Company's projects in Canada, including the Bralorne Gold Complex. All Qualifying Expenditures will be renounced in favour of the subscribers of the FT Shares effective December 31, 2021.

The Offering is expected to close on or about November 10, 2021. The Offering remains subject to the approval of the Toronto Stock Exchange. Any securities to be issued under the Offering will be subject to a hold period of four months and a day from the closing date of the Offering.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities in the United States. The securities have not been and will not be registered under the United States *Securities Act of 1933*, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

## **About Talisker Resources Ltd.**

Talisker ([taliskerresources.com](http://taliskerresources.com)) is a junior resource company involved in the exploration of gold projects in British Columbia, Canada. Talisker's projects include two advanced stage projects, the Bralorne Gold Complex and the Ladner Gold Project, both advanced stage projects with significant exploration potential from historical high-grade producing gold mines, as well as its Spences Bridge Project where the Company holds ~85% of the emerging Spences Bridge Gold Belt and several other early-stage Greenfields projects. With its properties comprising 296,983 hectares over 346 claims, three leases and 198 crown grant claims, Talisker is a dominant exploration player in the

south-central British Columbia. The Company is well funded to advance its aggressive systematic exploration program at its projects.

### **Caution Regarding Forward-Looking Information**

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on Talisker's current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this news release contains forward-looking information relating to, amongst other things, the completion of the Offering, the completion of New Gold's acquisition of the Common Shares, and the use of proceeds. Those assumptions and factors are based on information currently available to Talisker. Although such statements are based on reasonable assumptions of Talisker's management, there can be no assurance that any conclusions or forecasts will prove to be accurate.

While Talisker considers these statements to be reasonable based on information currently available, they may prove to be incorrect. Forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include market risks and the demand for securities of the Company, risks inherent in the exploration and development of mineral deposits, including risks relating to changes in project parameters as plans continue to be redefined, risks relating to variations in grade or recovery rates, risks relating to changes in mineral prices and the worldwide demand for and supply of minerals, risks related to increased competition and current global financial conditions and the COVID-19 pandemic, access and supply risks, reliance on key personnel, operational risks, and regulatory risks, including risks relating to the acquisition of the necessary licenses and permits, financing, capitalization and liquidity risks.

The forward-looking information contained in this news release is made as of the date hereof, and Talisker is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
