Job Title: Surface Operator

Location: Bralorne Gold Mines, Bralorne, BC

Schedule: 2 weeks on, 2 weeks off

About Us:

We are a junior mining company operating in British Columbia, committed to excellence in safety, sustainability, and productivity. As we expand our operations, we are seeking a reliable and skilled Heavy Equipment Operator for material movement, road work, stockpiling and other activities around the mine site.

Responsibilities:

- Operate heavy equipment;
- Clean and lubricate equipment and refill equipment tanks;
- Loading trucks for shipment of ore off site;
- Plowing snow;
- Building and fixing roads and maintenance;
- Complete equipment inspections and required paperwork, reporting, and other documentation for tasks performed;
- Some general labor might be required; and
- Assist with loading and unloading of materials as needed.

Requirements:

- Valid driver's license with a clean driving record;
- Must be eligible to work in Canada;
- Proven experience as an operator with front end loader and excavator;
- Experience working on steep terrains;
- Familiarity with safe driving practices and traffic regulations;
- Ability to work independently and prioritize tasks effectively;
- Strong communication and interpersonal skills; and
- Work on a two-weeks on, two-weeks off schedule.

Benefits:

- Competitive salary commensurate with experience;
- Comprehensive benefits package, including medical, dental, and vision coverage;
- Opportunity for career growth and advancement within a dynamic and growing company; and
- Safe and supportive work environment with a commitment to employee well-being.

How to Apply:

If you are a reliable and safety-conscious individual with a passion for driving and logistics, we encourage you to apply for this exciting opportunity. Please submit your resume and a cover letter outlining your relevant experience and qualifications to bill.curry@taliskerresources.com. Only qualified candidates will be contacted for further consideration.

Join our team and become a vital part of our continued success in delivering excellence in mining operations. We look forward to welcoming you aboard!
