

Exploration Project Geologist

About the Role

We are seeking a motivated and detail-oriented **Exploration Project Geologist** to join our growing team in British Columbia. The successful candidate will take a lead role in the planning and execution of mineral exploration programs with a strong focus on diamond drilling. This is an excellent opportunity to be a key contributor to advanced-stage exploration projects in a dynamic, field-based environment.

Key Responsibilities

- Plan, coordinate, and execute **diamond drilling programs**, including supervision of drill crews, contractors, and field staff
- Oversee and participate in **daily geological logging, sampling, and QA/QC protocols**
- Maintain and manage geoscientific data in **Leapfrog Geo** and other modeling platforms
- Conduct core interpretation, structural analysis, and contribute to geological modeling
- Ensure health, safety, and environmental compliance on site
- Provide regular reporting and updates to senior technical staff and project managers
- Collaborate with multidisciplinary teams, contractors, and stakeholders

Qualifications

- **B.Sc. in Geology** (minimum); M.Sc. considered an asset
- **Registered (or eligible for registration) as a P.Geo. with Engineers and Geoscientists BC (EGBC) required.**
- **1–3 years** of relevant exploration management experience, including **managing diamond drilling programs and supervising field staff**
- Proficiency in **Leapfrog Geo** for 3D geological modeling
- Strong knowledge of geologic logging, sampling, and QA/QC procedures
- Excellent organizational, communication, and leadership skills

- Willingness to work in remote field locations on a rotational basis (e.g., 2 weeks in / 2 weeks out)
 - Eligible to work in Canada (does not require sponsorship)
-

Additional Details:

Location: Bralorne British Columbia, Canada

Job Type: Full-time, rotational shifts (14 days on / 14 days off)

Compensation Range: CA\$95,000.00-CA\$130,000.00 per year, depending on experience

Start Date: As soon as possible

Application Deadline: November 2025

Application Requirements:

To apply, please submit your application directly through [Indeed - Exploration Project Geologist](#) and include the following:

- Resume
 - Cover letter or brief message specifying the position of interest
 - Dates of availability
-
